PARALLEL SYSTEMS OVERVIEW

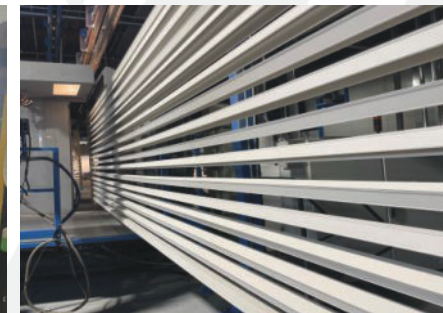

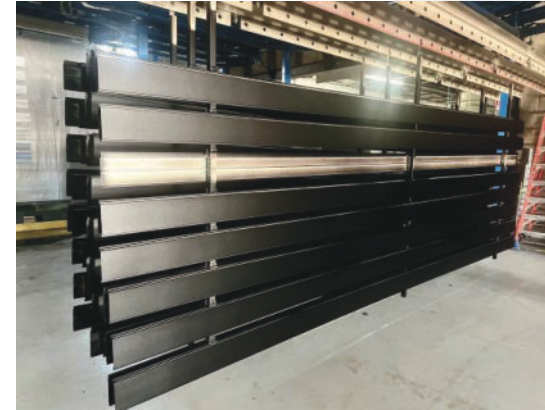

www.parallelap.com

We are proud to introduce you to **Parallel Architectural Products!**

- ✓ We are now a manufacturer and supplier of woodgrain and solid color aluminum profiles and systems for Cladding | Soffit | Battens | Screening | Fencing | Gates | Railing | Enclosures and Pergolas!
- ✓ Parallel has been a co-manufacturer of similar extrusion systems/products since 2021. Beginning March 1st of this year we are now offering our own brand of products!
- ✓ We are proud to say that our systems will be produced in the United States, and we will utilize the imperial system for all our products to better suit the industry.
- ✓ We own state of the art powder coating and sublimation machinery giving us operational control and flexibility of our product offering.
- ✓ **Woodgrain Colors** - we will offer woodgrain finishes and stock 30+ patterns with additional woodgrain finishes coming soon.
- ✓ **Solid Colors** - we will stock 15+ solid colors AND can offer an endless array of solid colors – to include custom colors.
- ✓ We have assembled a team of professionals with years of expertise in the industry and are here to help you and your clients.

Our facility in **Denver, Colorado**

Solid Colors

Our industry-leading solid color selection allows you to design and build striking, modern structures.

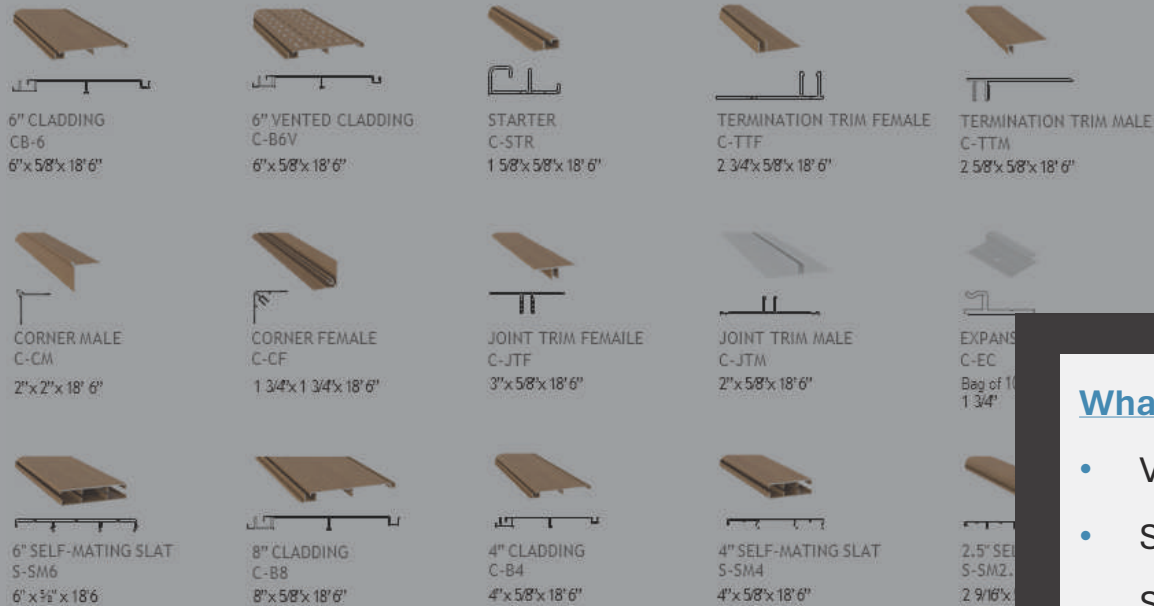

Parallel's **state-of-the-art powder coating capabilities** allow us to provide an impressive and expanding selection of solid colors.

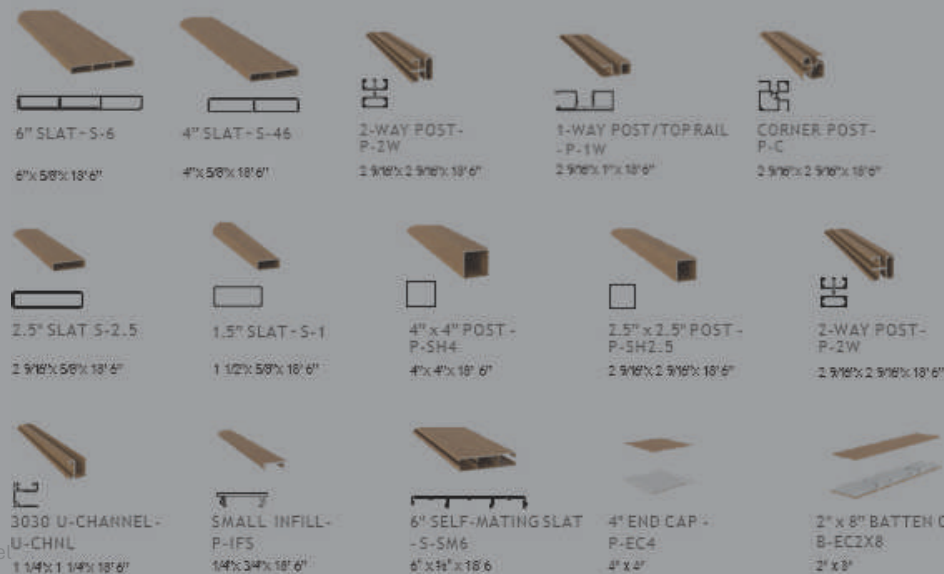

Plus, custom solid colors are available for larger projects. Contact us today to get started!

Parallel periodically adjusts our color selections in addition to the release of new colors for our customers. As a result, our color selections and availability are subject to change. Please check our website for the most current colors and availability.
